Look For A Barista / Café staff

Who Are We

We are an outdoor adventure company providing an adventure experience for all. On one hand, we provide the people and tools for the adventure. On the other hand, we provide the food from our restaurant for the post-ride experience.

We are a small team ranging from 8-14 staff depending on the season in both the restaurant and adventure shop. We are a German company providing European food. Although the Adventure shop and restaurant are adjacent to one another we are one team and help each other out if needed. We provide Adventure experiences all year around in biking, skiing, hiking, and Fat-biking, we do lessons, Kids camps, and guided adventures on bike and foot.
